```
         /      C                      F                  C
1. . .  If you see your brother standing by the road,
                      G      F                       C
    With a heavy load . . . . from the seeds he sowed
                                        F              C
    And if you see your sister falling by the way,
                      G      F                          C      C↓
    Just stop and say . . . . "you're going the wrong way"
```

> **CHORUS:**

```
      C                 F                      C
2. . . . . Don't walk around the down and out,
                     G      F                  C
    Lend a helping hand . . . . instead of doubt,
                              F            C
    And the kindness that you show every day,
                      G      F                  C      C↓
    Will help someone . . . along their way
```

CHORUS:

```
                      G                             F            C
    You've got to try a little kindness, yes show a little kindness
              F                  C            G
    Just shine your light for everyone to see
                  F                                      C
    And if you try a little kindness, then you'll overlook the
     Am
     blindness
              F                G              F/    G/      C / / /
    Of the narrow-minded people on the narrow-minded streets
```

CHORUS:

```
     C                 G                         F
    . . You've got to try a little kindness, yes show a little
     C
     kindness
           F                  C            G
    Just shine your light for everyone to see
                  F                                   C
    And if you try a little kindness, then you'll overlook the
     Am
     blindness
              F                G              F/    G/      C / / /
    Of the narrow-minded people on the narrow-minded streets
```

```
            C         F               G            F/    G/      C / / /
